The Honorable Sean Duffy
Secretary of Transportation
U.S. Department of Transportation
1200 New Jersey Avenue, SE
Washington, DC 20590

Dear Secretary Duffy:

I write to request your full consideration of Gage County's U.S. Department of Transportation's Better Utilizing Investments to Leverage Development (BUILD) grant program for their Clatonia-DeWitt and Hickory Road Transportation and Safety Project.

BUILD funding would be utilized for roadway improvements and bridge replacements on Clatonia-DeWitt Road and Hickory Road. These roads are part of a regional transportation network serving multiple communities and counties in southeast Nebraska. The project addresses roadway and bridge infrastructure that has reached the end of its service life. Investment focuses on long-term solutions that bring existing infrastructure into a state of good repair.

Thank you for your consideration.

Sincerely,

Deb Fischer
